2016 THUNDER ELITE FALL BALL
TOURNAMENT RULES

- This is a open roster league, however please do not bring in "RINGERS" for the Tournament. I understand that teams are using the fall season to tryout players and still adding roster spots, but bringing in guest players to win the the Fall Tourny is not what we are looking for.
- Be prepared to play 1/2 hour before scheduled start time.
- Thunder Elite will provide 1 new ball for each game. Each team should have a good used ball to be given to umpire before the game.
- Higher seed will have choice of home or away
- Games will be 75 minutes, finish the inning.
- Games can NOT end in a tie. ITB to follow time limit.
- Championship games will be 7 innings unless run rule comes into affect.
- We will follow NSA rules for the most part. *Exceptions*: You may bat your roster and free defensive substitutions.
- Run rule will be 10-8-6 after 3-4-5 inning.
- Courtesy runners for Pitcher/Catcher will be last out or sub. Same runner can't run for both in same inning
- Rain out/ weather updates will be posted on the Thunder Elite website (www.thunderelitefastpitch.com) as well as by email and text messages. If you are not sure if your game is being played, please call me prior to your team traveling to the fields.
- Any questions please contact Jeff Steiner 330-307-7551 or Joe Nay 330-501-5933
